> FOR THE ASSOCIATE COMMISSIONER, **EXAMINATIONS**

Mary C. Mulrean, Acting Director Administrative Appeals Office

DEC2100-02B22Q3

DISCUSSION: The employment-based immigrant visa petition was denied by the Director, Vermont Service Center, and is now before the Associate Commissioner for Examinations on appeal. The appeal will be summarily dismissed.

The petitioner seeks classification as an employment-based immigrant pursuant to section 203(b)(1)(A) of the Immigration and Nationality Act (the Act), 8 U.S.C. 1153(b)(1)(A), as an aids researcher of extraordinary ability. The director determined the petitioner had not established that she qualifies for classification as an alien of extraordinary ability.

On the Form I-290B Notice of Appeal, counsel for the petitioner indicated that a brief would be forthcoming within thirty days. Careful review of the record reveals no subsequent submission; all other evidence in the record predates the issuance of the notice of decision.

The statement on the appeal form reads simply "Alien will greatly benefit this country with her aids research. We will be providing additional material regarding this case. We need 60 days for this case." This is a general statement which makes no specific allegation of error and, therefore, it is not sufficient basis for a substantive appeal.

8 C.F.R. 103.3(a)(1)(v) states, in pertinent part:

An officer to whom an appeal is taken shall summarily dismiss any appeal when the party concerned fails to identify specifically any erroneous conclusion of law or statement of fact for the appeal.

Inasmuch as the petitioner has failed to identify specifically an erroneous conclusion of law or a statement of fact as a basis for the appeal, the appeal must be summarily dismissed.

ORDER: The appeal is summarily dismissed.
